

ROXIQ

PRIVACY POLICY

ROXIQ — Multi-Game eSports Championship Platform (Free Fire & PUBG)

Effective Date: 20 September 2026 • Version 4.0 • Document No.
ROXIQ/PRIVACY/2026/v4.0

1. Introduction

This Privacy Policy explains how ROXIQ (“we”, “us”, “our”) collects, uses, stores, discloses and protects your personal data when you use the ROXIQ mobile application, the website roxiq.app and all services offered through them (together, the “Platform”), including the Free Fire State Championship and the PUBG State Championship. It is issued in accordance with the Digital Personal Data Protection Act, 2023 (“DPDP Act”) and the rules framed thereunder. It must be read together with our Terms and Conditions. Capitalised terms have the meanings given in the Terms and Conditions.

2. Information We Collect

2.1 Information you provide

- Account data: your name, mobile number, e-mail address, state, and chosen track (Solo/Team).
- Game data: your in-game User ID for Free Fire and/or PUBG, as applicable, linked to your ROXIQ profile.
- KYC data (winners only): identity proof, address proof and bank/UPI details, submitted solely for reward verification, tax deduction and statutory reporting.
- Communications: support tickets, reports, appeals and correspondence with us.

2.2 Information collected automatically

- Device and technical data: device model, operating system, app version, screen resolution and language settings.
- Network data: IP address, time zone and coarse location derived from your IP address; connectivity and performance data.
- Usage data: pages and features used, championship interactions, and app-open/close events.

2.3 Championship data

- Your registrations, fixtures, match results, rankings, certificates issued and reward milestones.
- Anti-cheat telemetry: device identifiers and match records used to detect and prevent unfair play.

3. How We Use Your Information

- To create and maintain your account and player profile.
- To operate the Championships: registrations, fixtures, results, rankings, certificates and public verification.
- To verify winners’ identities (KYC) and disburse rewards, including tax deduction and statutory reporting.
- To detect and prevent cheating, fraud, multi-accounting and other prohibited conduct.
- To provide customer support and handle grievances and appeals.
- To maintain the security, integrity and availability of the Platform.

- To send service communications: championship announcements, result notifications, security alerts and policy updates.
- To comply with applicable law and lawful directions of authorities.

4. Basis of Processing

We process your personal data (a) with your consent, given at registration or when you submit data such as KYC documents; and (b) for certain processing, on the basis of legitimate uses recognised under the DPDP Act, including compliance with law, detection and prevention of fraud, and performance of obligations arising from your participation in skill-based Championships. You may withdraw consent at any time through your account settings or by writing to us; withdrawal does not affect processing already completed, and may prevent you from participating in Championships or receiving rewards where the data is essential to those services.

5. Sharing and Disclosure

We do not sell, rent or trade your personal data. We share it only as follows:

- Service providers and processors engaged by us (hosting, cloud storage, e-mail, analytics, crash reporting, payment and KYC verification partners), strictly on a need-to-know basis and under contractual confidentiality and data protection obligations.
- Payment gateways and banking partners, solely for reward disbursement and statutory tax reporting.
- Law enforcement, judicial or regulatory authorities, where required by law, or pursuant to a lawful order, warrant or binding request.
- In connection with a merger, acquisition or transfer of business, subject to this Policy.

The public certificate verification page (roxiq.app/verify) displays only the certificate holder's name, state, round, track, rank and certificate status when a valid Certificate ID is checked. KYC documents, contact details and payout information are never displayed publicly.

6. Data Security

We maintain reasonable and appropriate administrative, technical and physical safeguards, including encryption of data in transit (TLS), role-based access with least-privilege, restricted and encrypted storage of KYC documents, audit logging of sensitive actions and periodic security reviews. No method of transmission or storage is completely secure; if a breach is likely to result in harm to you, we will notify you and the Data Protection Board of India as required by the DPDP Act.

7. Data Retention and Deletion

Account and championship data is retained while your account is active. KYC documents of winners are retained only as long as required for reward verification, tax reporting and applicable legal limitation periods, after which they are deleted or irreversibly anonymised. Anti-cheat records may be retained longer where necessary to enforce bans and protect championship integrity. You may request deletion of your account and personal data by writing to us, subject to retention required by law.

8. Your Rights (DPDP Act)

- Access: obtain a summary of the personal data we hold about you and how it is processed.
- Correction: request correction of inaccurate, incomplete or outdated personal data.
- Erasure: request erasure of your personal data, except where retention is required by law or for pending legal obligations.
- Nomination: nominate another individual to exercise your rights in the event of your death or incapacity.
- Grievance redressal: raise a grievance with our Grievance Officer.

To exercise these rights, write to privacy@roxiq.app (copy to support@roxiq.app) with your registered details. We will respond within the timelines prescribed under the DPDP Act and rules.

9. Children

The Platform is intended for Users who are at least 18 years old, and we do not knowingly collect personal data from children. Minors may participate only with the involvement and verifiable consent of a parent or legal guardian. If we learn that a child's data has been collected without verifiable parental consent, we will delete it promptly.

10. Third-Party Games and Services

The Championships are played on third-party games — Free Fire (operated by Garena) and PUBG: Battlegrounds Mobile India (operated by KRAFTON, Inc.) — whose own terms and privacy policies govern your use of those games and any data collected by them. We are not affiliated with Garena or KRAFTON, and this Policy does not apply to data collected by the game publishers or by device manufacturers or app stores.

11. Changes to This Policy

We may update this Privacy Policy from time to time. The current version with its effective date is always available in the App. Material changes will be notified in the App or by e-mail. Continued use after a change takes effect constitutes acceptance of the updated Policy.

12. Grievance Officer

In accordance with the DPDP Act, our Grievance Officer can be contacted at privacy@roxiq.app (copy to support@roxiq.app) for any question, complaint or request relating to your personal data. We acknowledge complaints within 48 hours and resolve them within statutory timelines.
